

This form 99 is being filed in response to the FEC letter dated September 11, 2009 from Corbin Jones.

The 18,0000 in question was made to the Virginia State PAC that is funded through this Federal PAC. No federal candidate contributions are made from the Virginia PAC, it is used strictly for Virginia Candidates. All administrative and fundraising costs are funded through our connected organization SunTrust.

Thank You,  
Sherry Wright
